## TO PARENTS:

We want to introduce you to the *Blizzard Ski School*, for over 55 YEARS we have provided the opportunity for young people to learn to ski and snowboard correctly, with skill and confidence.

After you have read the brochure, you will agree that the complete program we offer is second to none!

At *Blizzard*, our main focus is on instruction and improvement to grow the ability of each and every member. The instruction will be provided on every trip by qualified professionals.

On the first trip each member will have their skills assessed and will be placed in a specific level ranging from A–G. As skills improve members will get to advance under the supervision of certified PSIA and AASI instructors.

By paying your membership you give permission for the student(s) to be photographed for the newsletter, the *Blizzard* website, ski instructor publications, and videos taken during class and shared on YouTube.

## OUR PROGRAM PROVIDES:

- 10 to 13 SATURDAY TRIPS.
- CHARTER COACH TRANSPORTATION. *Blizzard* doesn't use school busses, we only use Over The Road Highway Coaches (Lavatory Equipped) to and from the ski area. Our busses are staffed with adult supervisors.
- ADULT SUPERVISORS are specially chosen for their ability to direct and understand the young people who are in their charge.
- NEW MEMBER ORIENTATION, the first day a new member receives a complete area orientation.
- The very BEST PROFESSIONAL SKI AND SNOWBOARD INSTRUCTION in small classes.
- NEWSLETTER, Posted online to keep you updated.
- For exceptional skiers and snowboarders, we offer a distinctive course in JUNIOR INSTRUCTOR TRAINING.
- PLUS GREAT FUN with friends your own age and enjoying a wonderful winter out of doors.
